Wood Classic LE

Based on our original and well-loved Wood Classic model, the Wood Classic LE continues on the tradition as a hard working home heater. Looks that salute the classic American hearth are combined with an ultra effective re-burn system.

The ash tree is among the very best of woods for home heating. Our Kuma Ashwood lives up to its name in providing you with the very best in quality, features and performance. Designed for those who rely on it as their principal heat source, the Ashwood is well equipped to be an enduring addition to your home.

Ashwood LE

The Kuma Cambridge is a stove that is up to the job. This robust heater stands ready to provide an abundance of warmth in response to the coldest of winter’s days. Stylish and sensible, the efficient and clean burning Cambridge is built to last a lifetime.
